Dear Chip,

Members of L'Allegra Study Club wish to extend our thanks and appreciation to you and your staff at KPAN for all the work you did in helping us with Project Christmas Card. I know that it took extra effort and time to help us advertise at a very busy time for both you and your staff. Thanks for all you do!

Funds generated by "Project Christmas Card" are earmarked for the benefit of the Hereford Regional Medial Center. This year's project funds will go towards the purchase of a new gurney for the emergency vehicle. This is a piece of equipment that is needed but not accounted for in this year's hospital budget. Our local physicians agreed that this piece of equipment would fulfill the greatest need at the present time.

Year after year, through this and other fund raising projects, we are reminded of the generosity of our citizens and particularly of their concern in contributing to the improvement of the quality of life in this community. Thank you for another successful year!

Sincerely

L'Allegra Study Club

*Thank you!
Diane*

Dear Klint;

I would like to personally thank you for the time and effort you extended to help with Angel Faire, for Kings's Manor.

With your help advertising and personal attention, we were able to have a very successful fund raiser, to extend help to elderly people who have outlived their means.

This was our first effort of this sort, but we will make this an annual affair due to the positive response from the community and King's Manor.

Your help was greatly appreciated.

Sincerely;

Ivan Tipps

Dear KPAN,

The Red Ribbon Week celebration offers an opportunity for our school district and community to work together to support alcohol, tobacco, and other drug prevention education for our students. Your support in the development of Red Ribbon Week is deeply appreciated. I am happy to report that our 2001-2002 celebration was a complete success.

With your generous donation Hereford Independent School District was able to provide student/teacher prizes and other necessary materials needed to help make our celebration such an achievement. On behalf of HISD, I thank and commend your business for your commitment and dedication in helping to educate our students about alcohol and drug abuse prevention.

Again, your support and generosity has been invaluable to our students and community. Thank you.

Sincerely,

Thank you SO MUCH!!!! for all the great media coverage you gave the Westway Extension Education Club Bazaar and Concession Stand and the Texas Partnership for Farm Family Health and Safety " Stop the Insanity" program.

It is really wonderful to have a community radio that will so willingly publicize these activities to the community and help the sponsoring organizations.

For your great service - Thanks - and may the goblins stay away on Halloween night because you're such good folks.

Chip & Captain Billy,

The Hereford Friends of the NRA committee would like to thank you for your continued generosity and help with the second annual "Beef is Best" banquet.

Due to your participation, we were able to serve over 100 adults and 34 children this year. There were numerous door prizes, and every child walked away with at least one.

Because of the success of the banquet, we once again expect to receive grants similar to last years, which will come back to promote firearm safety to Deaf Smith County youth.

Please accept the committees' most sincere thank you!

Dear Mr. Formby,

As President of the Deaf Smith County Council, I would like to thank you and everyone at KPAN Radio station for your support of 4-H in our county. You support our program in many ways, but the media support you provided for our banquet on Sunday was especially appreciated! We are lucky to have such a great banquet and to have so many 4-Hers and their families attend. Thank you for all you do for our program!

I would like to thank you for putting on the radio about The Gary Skelton Memorial Race that was held July 7, 2001 at The Amarillo Dragway. Everyone Gary had raced with for the last 10 years were there. We sold Gary Skelton Memorial Race T-shirt's. We are giving the profits from the T-shirts to a Dare program. If what small amount of money we can give to the program will help one kid to stay off Drugs and Alcohol; it will be worth it.

Thanks

Dear Mr. Formby

Thank you! I learned on Monday that my senior-level Swine Record Book won first place in state competition at College Station last week. This note is not about wanting publicity – the office will do that. This is to thank you for all you have done for me over the years. Publicity for 4-H and 4-H projects is one area we are judged on in our record books – you have made it easy for me to get all the points possible in that area. Last year you let my Achievers Club do some spots to promote National 4-H Week, this is the type of promotion that helped me win my record book award. This award means that I won a trip to Washington, D.C. along with 38 other 4-Hers. The publicity you give us as 4-Hers and the 4-H really helps our program in Deaf Smith County.

Thank you for your help and friendship!

Dear Red Raider Fan:

Your contribution to the Hereford/Dimmitt Red Raider Day Golf Tournament is greatly appreciated. The loyalty and generosity of our sponsors will enable us to make a significant contribution to the Athletic Scholarship Fund at Texas Tech.

The levels at which we are now able to compete have been enhanced by those willing to provide sponsorships and give of their time. With Texas Tech's history of success, we are able to see the importance of our support.

From all who are involved in putting the Red Raider day together, thank you again for your generous support.

Dear Chip and Staff:

Thank you for your support of the Deaf Smith County 4-H Concession Stand at the Hereford Young Farmers Stock Show. The funds from this event make possible the support of the Deaf Smith 4-H program for the year and with your publicity, we know that many of our 'town' folks came out to eat with us during the stock show, thus helping build our financial base.

We appreciate your support for the youth and for helping to promote a program that builds future leaders. Again, thanks for all that you do for the Deaf Smith County 4-H program.
